

## GENERAL NEWS.

## Tramps' Dastardly Crime.

Augusta, Me., August 19.—Mattie Hackett, the 18 year old daughter of Levi J. Hackett, a farmer of Kuntsville, a village 15 miles northeast of this city was murdered last night by this city was supposed to be tramps. Four men applied at the house for a meal and while it was being prepared by the daughter, Hackett accompanied by one of the strangers went to the stable nearby to do some work. While there a scream was heard and running to the road, Hackett found his daughter unconscious with a small cord tightly drawn about her neck. Blood was pouring from a deep gash in the head. All the tramps escaped except the one who had gone to the barn.

## Liabilities \$292,677; Assets \$50.

Boston August 19.—Liabilities of \$292,677 and assets of \$50 were scheduled in a petition in bankruptcy filed here by George B. Appleton, of Cambridge. Appleton was a clerk in the office of Arthur B. Appleyard, the street railway promoter, who is now contesting extradition to the state of New York, where he is wanted on a charge of grand larceny from a Buffalo bank. Appleton, it appears, also figured as treasurer of various Appleyard roads in Ohio, and he held stocks in eight railways, including the Ohio Traction company, and the Dayton, Lebanon and Cincinnati Railway company.

## Killed Answering Mother's Appeal.

Bethlehem, Ore., August 19.—While answering his aged mother's call to come home J. L. Anderson, of No. 444 North Prospect street, Kansas City, Mo. was murdered near here this morning. Investigation showed that Anderson had met death by repeated blows on the head by a heavy iron bar, but failed to elicit any motive for the crime nor any clue to the murderer. A letter in his pocket contained an appeal from his mother at Kansas City to come home. Anderson was about 22 years of age, and though bearing signs of tramping, he had been neatly dressed.

## Can't Fix Cause of Wreck.

Cleveland, O., August 19.—H. S. Stone, general superintendent of the Lake Shore road, who has kept in close touch with all the investigations in connection with the wreck of the Tenth Century limited at Mentor, O. made this statement today in reference to the verdict, rendered by George Stogelstein, of this county, concerning the accident: "No testimony of evidence has been discovered or gathered by either of the coroners who have had the matter under investigation, which shows or tends to show who the person was that was responsible for opening the switch."

## Female Poacher Killed.

New York August 19.—Baron Von Sternberg, a brother of the German ambassador at Washington, shot a female poacher at midnight in mistake for a cable. The shooting occurred on the Von Der Schulenburg's premises in New Castle. The woman, who had since died, Baron Sternberg voluntarily surrendered to the police and has been allowed bail.

## TWELVE KILLED IN WRECK.

## River Is Being Dragged for Missing Ones—Large Number Injured.

Norfolk, August 19.—So far only 12 known dead have been taken from the wreck of the Atlantic Coast Line railway's Kinston and Greenville, N. C., excursion train, though there are some eighty of the negro excursionists yet missing, and the probabilities are that the bodies of many of these will be found in the bottom of the river after all dragging has been completed.

The two submerged cars have been raised, but as they were raised the ends fell out of the cars and what dead were therein went to the bottom of the river with debris from the interior of the coaches.

The river is now being dragged, and it is expected that a number of bodies will be taken from the water before night. The latest victims to be found are the unknown negro man and woman, it having been impossible up to this time to identify either. These bodies were taken from the water this morning.

The only white persons known to be dead up to this time are W. E. Jolly, the promoter of the excursion, and his young nephew, Edward Forbes.

There are some 56 or 60 of the 169 excursionists who have come to Norfolk either slightly injured or bruised. There are 23 injured at the hospitals, with 12 known dead which leaves between 70 and 80 of the excursionists yet missing, and it is believed that a large majority of those are at the bottom of the river.

A revised list of the injured is being made up.

## A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by all druggists.

## Many Cities Want Convention.

Portland, Ore., August 19.—Denver, New Orleans, Kansas City and Salt Lake are the candidates in the fight for the next session of the trans-Mississippi congress. This will be developed at the first meeting of the committee on permanent organization. Ex-Governor L. B. Prince, of New Mexico, was elected chairman of the committee and A. F. Francis, secretary. At the meeting the names of Hon. John W. Noble, of St. Louis, ex-secretary of the interior, and Colonel H. D. Lovell, of San Francisco, were suggested for the presidency of the forthcoming term.

## They Appeal to Our Sympathies.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For sale by all druggists.

## Strikers Get Increase in Wages.

Helena, Mont., August 19.—Fourth Vice President Dermody of the Order of Railway Telegraphers received telegraphic orders last night from President Perham directing that Dermody take a vote of his division as to whether or not the striking operators should return to work and end the strike. Mr. Dermody will take the vote out of town strikers by wire and will report the result to President Perham at St. Paul. Mr. Dermody stated that he felt confident that the men would vote to call off the strike as they had assurances of receiving an increase in wages.

Rev. W. L. Riley, L. L. D., Cuba, New York, writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving me first relief and the second entire relief. I can give it an unqualified recommendation." Me. No. 6102. Sold by W. M. Johnson.
